**DETAILED ACTION**

***Allowable Subject Matter***

Claim 15-26 and 35-40 are allowed.

The following is an examiner's statement of reasons for allowance: With regard to independent claims 35, 36 and 39, the Melet reference fails to provide a teaching of syringes with switch valves operating as claimed for the purpose of supplying or neutralizing their functions while all carry out a single movement, including the syringe or syringes dedicated as an air pump. The prior art of record such as that of Bachenheimer and Jottier in combination with Melet fails to provide a motivation for combination to result in the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MARK SHABMAN whose telephone number is (571)270-3263. The examiner can normally be reached on M-F 8:00am - 4:30pm, EST.
